

Provincewide Shutdown

December 21, 2020

The information contained in this document is intended to communicate a summary of information about measures proposed to come into effect in Ontario or in areas of Ontario at 12:01 a.m. on Saturday, December 26. The material is not legal advice and does not purport to be or to provide an interpretation of the law. In the event of any conflict or difference between this summary information and any applicable legislation or regulation, the legislation or regulation prevails.

Context: Provincewide Shutdown

- Based on the latest modelling data, cases are expected to continue to grow, with multiple models predicting rates of at least 1,500 cases per day for several weeks under current restrictions. Daily mortality is also increasing.
- There has been a significant reduction in people staying home, especially when compared to the Spring. Patterns also continue to show trends of people moving across public health unit regions.
- Escalating case counts have led to increasing hospitalization rates and capacity challenges in many large urban hospitals, which has resulted in new disruptions to scheduled surgeries and procedures.
 - Hospitalizations have increased by 72.9% over the past four weeks (leading up to Dec. 14) and the number of COVID-19 patients in ICU is above the 150-person threshold
 - Some hospitals have been directed to defer in-person care that is not time-sensitive to ensure surge capacity
- Public health and other experts have expressed significant concerns that the current transmission trends, combined with the potential high levels of mobility from social and consumer activity over the holiday period, could overwhelm health care and public health sector capacity in the new year.
- A provincewide shutdown will help interrupt or slow current community transmission, reduce mobility and allow our health care and public health systems that are reaching critical limits and to recover briefly and catch-up.
- The following slides outline sector-specific restrictions that will be put in place under the Provincewide Shutdown

Overview: Timing and Geographical Application

When does the Provincewide Shutdown start?	Where, and how long, are the Provincewide Shutdown restrictions in effect?
<p>The restrictions start at 12:01 a.m. on Saturday, December 26, 2020.</p>	<p>The restrictions are in effect for all of Ontario from Saturday, December 26, 2020 to Saturday, January 9, 2021.</p> <p>The restrictions would remain in effect from Saturday, January 9, 2021 to Saturday, January 23, 2021 for all 27 public health unit regions in Southern Ontario (refer to Appendix A).</p>

General Public Health and Workplace Safety Measures for all Businesses, Organizations and Facilities

General Public Health Measures for all Businesses, Organizations and Facilities

Public Health Advice, Recommendations and Instructions

Businesses or organizations must operate in compliance with the advice, recommendations, and instructions of public health officials, including any advice, recommendations or instructions on physical distancing, cleaning or disinfecting, and working remotely. Check with your local public health unit for any additional advice, recommendations or instructions.

Physical Distancing and Line Management

- Businesses or places must not permit patrons to line up inside the businesses or place, or to line up or congregate outside of the business or place unless they are maintaining a physical distance of at least two metres from other groups of persons and wearing a mask or face covering that covers their mouth, nose and chin unless they are entitled to an exception set out in the regulation.

Screening

Businesses or organizations must operate in compliance with the advice, recommendations instructions issued by the Office of the Chief Medical Officer of Health on screening individuals. This includes:

- Workplaces must screen any workers or essential visitors entering the work environment. See the [COVID-19 Screening Tool for Workplaces](#) for more information.

Personal Protective Equipment including Eye Protection

Personal protective equipment that provides protection of the eyes, nose, and mouth, is required if a worker is required to come within 2 metres of another person who is not wearing a face covering and not separated by plexiglass or some other impermeable barrier.

Capacity Limits

All businesses or facilities must limit capacity so that every member of the public is able to maintain two metres of physical distancing from every other person, and limit the number of people occupying any room that is open to the public to 50% capacity of the particular room. Some businesses or facilities have additional capacity restrictions that apply beyond the general capacity requirements.

All businesses or facilities that engage in retail sales to the public must post a sign in a location visible to the public that states the maximum capacity they are permitted to operate under.

Please Note:

- The maximum number of persons permitted in a business or facility that is operating at 50 per cent capacity is determined by taking the **total square metres** of floor space accessible to the public in the business or facility, not including shelving and store fixtures, dividing that number by 8 and rounding the result down to the nearest whole number.
- The maximum number of persons permitted in a business or facility that is operating at 25 per cent capacity is determined by taking the **total square metres** of floor space accessible to the public in the business or facility, not including shelving and store fixtures, dividing that number by 16 and rounding the result down to the nearest whole number.

General Public Health Measures for all Businesses, Organizations and Facilities, continued

Cleaning and Disinfection

Businesses or places that are open shall ensure that equipment, washrooms, locker rooms, change rooms, showers that are accessible to the public are cleaned and disinfected as frequently as is necessary to maintain a sanitary condition.

Face Coverings

Businesses or organizations must ensure that masks or face coverings are worn by any person (including members of the public and workers) in the indoor area of the business or organization, with limited exceptions.

Safety Plans

Requirement for all businesses open to prepare and make available a [COVID-19 safety plan](#). A copy of the plan shall be made available to any person for review upon request, and be posted where it would come to the attention of individuals working in or attending the business.

Organized Public Events and Social Gatherings (including Religious Services, Rites or Ceremonies), Schools, Child Care, Post-Secondary Institutions and Day Camps

Organized Public Events, Social Gatherings, Religious Services, Rites and Ceremonies, Post-Secondary Institutions and Day Camps

Events and gatherings	<p>No indoor organized public events and social gatherings, except with members of the same household (the people you live with). Individuals who live alone and single parents may consider having exclusive, close contact with another household to help reduce the negative impacts of social isolation</p> <p>Limit for outdoor organized public events and social gatherings, must comply with public health advice on physical distancing:</p> <ul style="list-style-type: none"> • 10 people outdoors
Weddings, funerals and other religious services, rites or ceremonies	<p>Weddings, funerals and other religious services, rites or ceremonies where physical distancing can be maintained:</p> <ul style="list-style-type: none"> • 10 people indoors • 10 people outdoors <p>Drive-in services, rites or ceremonies permitted, subject to certain conditions</p> <p>Virtual services permitted</p>
Post-secondary institutions	<ul style="list-style-type: none"> • Post-secondary institutions open for virtual instruction, with limited exceptions where in-person instruction is required (e.g., clinical training, trades). Subject to physical distancing with limited exceptions • In-person teaching (each instructional space at the institution at one time) and in-person examinations cannot exceed 10 persons, with limited exemptions for: <ul style="list-style-type: none"> ○ Diagnostic cardiac sonography and diagnostic medical sonography ○ Diagnostic ultrasound ○ Medical imaging ○ Medical laboratory assistant and Medical laboratory technician ○ Medical radiation technology ○ Medicine ○ Mental health and addictions services, including psychology services, social work services and counselling services ○ Nursing ○ Paramedic ○ Personal support worker, supportive care worker, home care worker or a similar occupation ○ Pharmacy/pharmacy technician ○ Public health inspector, if the program is accredited by the Canadian Institute of Public Health Inspectors ○ Rehabilitation sciences (nutrition, speech language pathology, occupational science, and physiotherapy) ○ Respiratory therapy <p>Subject to additional requirements for in-person teaching that involves singing or the playing of brass or wind instruments</p>
Day camps for children	<p>Closed</p>

Approach in Schools and Child Care

Approach in Schools and Child Care	
Schools	<p>The following approach will apply to publicly-funded and private elementary and secondary learning, with the exception of First Nation and federally-operated schools:</p> <ul style="list-style-type: none"> • Elementary and secondary school students at publicly-funded schools would participate in remote learning from January 4-January 8, 2021. <ul style="list-style-type: none"> ○ Publicly-funded schools and private schools in Northern public health regions would be permitted to resume in-person instruction on January 11, 2021 for both elementary and secondary schools ○ For publicly-funded schools and private schools in all other PHU regions: <ul style="list-style-type: none"> ▪ Elementary school students would return to in person learning on January 11, 2021 ▪ Secondary school students would continue learning remotely until January 25, 2021 and resume in-person learning on that date • During the applicable period, schools will be closed, except for the following exceptions: <ul style="list-style-type: none"> ○ For staff who are unable to deliver quality remote teaching, instruction or support to students from home ○ To provide access for child care centers in schools
Child care	<ul style="list-style-type: none"> • Child care will remain open for the duration of the Provincewide Shutdown period. This includes child care offered in licensed centres, in home-based settings (licensed and unlicensed) and by authorized recreation and skill-building providers • During the period where elementary schools are operating virtually (i.e., from January 4 to 8, inclusive), licensed child care centres and authorized recreation and skill-building providers will be prohibited from serving school-aged children. All before and after school programs are being closed during this one-week period. These programs may resume operation when elementary schools return to in-person learning on January 11, 2021 • To support the parents of school-aged children who may not be able to accommodate their child’s learning/care at home, the Ministry of Education will be implementing a targeted emergency child care program for school-aged children, at no cost to eligible parents. Please refer to Appendix B for a list of eligible workers • Operators of before and after school programs that are required to close from January 4-8, 2021 are prohibited from charging fees or otherwise penalizing parents during this time period (e.g., parents must not lose their respective child care spaces)

Businesses Permitted to Open and Sector Specific Public Health and Workplace Safety Measures: Refer to [O. Reg. 82/20](#)¹ for details

¹ The regulation that establishes the rules for the Provincewide Shutdown is [O. Reg. 82/20](#). Clicking on this link will take you to the most recent version of the consolidated regulation published on e-Laws. The e-Laws currency date appears at the top of the consolidated regulation. Proposed amendments to regulations do not appear on e-Laws. Amendments to regulations are initially published as “source law” on the e-Laws website.

Amusement parks, water parks	Closed
Bathhouses and sex clubs	Closed
Tour and guide services	Closed
Motorsports	Closed
Personal care services	Closed
Casinos, Bingo Halls and Gaming Establishments	Closed

CMOH Advice to Ontarians for the Provincewide Shutdown

General

- Ontarians should stay home to the fullest extent possible
- Trips outside of the home should be limited and only for essential purposes (accessing health care and medication, grocery shopping, child care, exercise alone or people in your household (the people you live with) and in the community where you live, walking pets when required, and supporting vulnerable community members to meet the needs above)
- Remote work should happen in **all industries** to the greatest extent possible
 - Employers should enable and support workers to work remotely and accommodate household needs related to virtual education and dependent care
- Face coverings should be tightly fitted to cover the nose, mouth and chin. Scarves and bandanas are insufficient

Close Contact, Gatherings and Events

- **Indoor organized public events and social gatherings are not permitted except with members of the same household.** Limit close contact to your household (the people you live with):
 - Families should not visit any other household or allow visitors in their homes
 - Individuals who live alone and single parents may consider having exclusive, close contact with another household to help reduce the negative impacts of social isolation
 - Virtual gatherings or events are the safest way to visit or recognize occasions with people outside your household, especially during the holiday season
- Maintain two metres of physical distancing from everyone outside of your household (who you do not live with)
- Wear a face covering indoors; outdoors if physical distancing cannot be maintained; or if wearing one is required

Travel within Ontario

- Stay home. Travel outside your region should be limited to only essential purposes.

Inter-Provincial Travel

- Staying home is the best way to protect yourself and others. Travel out of province should be limited to only essential purposes
- Individuals and families who arrive or return to Ontario during the Provincewide Shutdown period should self-isolate for 14 days upon arrival

Plan for a Return to the COVID-19 Response Framework

- At the end of the Provincewide Shutdown period, the *COVID-19 Response Framework: Keeping Ontario Safe and Open* will be re-enacted.
- While data will continue to be monitored weekly, the CMOH will review trends in key public health indicators in the final week of the Provincewide Shutdown period and indicators from each public health unit region will be assessed to determine the appropriate zone for each PHU region under the framework.
- The Chief Medical Officer of Health will assess and apply lessons learned thus far to the *COVID-19 Response Framework* to ensure appropriate and effective measures are in place to protect the health of Ontarians and enable economic recovery after the Provincewide Shutdown ends. This will include an assessment of how a revised approach for the safe re-opening of retail may be operationalized, according to the latest available evidence.

Ontario Small Business Support Grant

Embargoed technical briefing for stakeholders

December 21, 2020

New Ontario Small Business Support Grant

Ontario will offer one-time grants of a minimum of \$10,000 and up to \$20,000 to eligible small business owners to help navigate the new Provincewide Shutdown

The government recognizes that small businesses required to close or significantly restrict services under the Shutdown will **need additional help**.

Small business owners can use this grant however makes the most sense for them: for example, some may use it to pay employee wages, while others will need support maintaining their inventory.

Who's eligible? Businesses that:

- Are required to close or significantly restrict services subject to the Provincewide Shutdown;
- Have less than 100 employees at the enterprise level; and
- Can be expected to experience a minimum of 20 per cent revenue decline as a result of the Shutdown. This will be measured by comparing April 2020 with April 2019 monthly revenues. New businesses established since April 2020 are also eligible.

Funding application launches in January 2021

Ontario Small Business Support Grant: Revenue Details

For businesses expected to experience an at least 20 per cent revenue decline, above the \$10,000 minimum, the grant will provide **dollar-for-dollar funding for decreased revenues**, up to the \$20,000 maximum. The April comparison time period was selected as most representative of the upcoming Provincewide Shutdown, while ensuring the program is straightforward for small business owners and that payments can be made quickly.

Company A

As a result of the upcoming lockdown period, Company A is expected to experience a monthly loss of \$20,000 which is equivalent to a 25% decline in revenue.

Under the *Ontario Small Business Support Grant*, Company A will be eligible for the **maximum amount of \$20,000**.

Company B

As a result of the upcoming lockdown period, Company B is expected to experience a monthly loss of \$15,000 which is equivalent to a 20% decline in revenue.

Under the *Ontario Small Business Support Grant*, Company B will be eligible for **\$15,000 in assistance**, which matches their loss dollar for dollar.

Examples of Eligible Small Business Types
