TRAPPING

Was there trapping this week? : Yes No

Number of traps: 6

Location:

- 362 Laughlin Circle
- South March Highlands Trail Network
- Marshes Village, 39 Turtle Point Private
- 228 Saddleback Cres, Arcadia
- Beaver Pond Park
- Marsh close to parking on 1001 Farrar Road

CITIZEN REQUESTS

Were there any key requests from citizen or from city this week? Yes No

We receive two requests for this week; one on Langford Cres and another for Louis Turner Park.
No treatment was necessary in these areas.

Forecast for next week (August 4th to August 10th):

Given the amounts of rainfall received in recent days, as presented in this summary, we anticipate major treatments to begin at the start of the following week.

Possible treatment: Yes No

If yes:

Type of treatment: Ground Aerial

Date of planned: A 9th treatment will probably begin on August 12th and will extend over a few days.
